

# *The 6th Annual Charity Lunch to Support Tohoku tsunami victims*

This is our sixth year to host the charity lunch to support those who were impacted by the massive earthquake and tsunami that happened in eastern Japan in March 2011. As of today we have donated nearly \$35,000 to the cause. We could not have done this without your generosity and would like to take this opportunity to sincerely thank you for your support.

Our charity lunch this year will once again be at the Marin Room in La Jolla. The wonderful four-course French meal will be prepared by Chef Ron, one of the renowned top five chefs in the U.S. We will also have a silent auction and raffles with luxury gifts.

All 100% of the funds raised by the charity event will be donated to the **Michinoku Mirai Kikin Foundation** (<http://michinoku-mirai.org>) through Japan Society of San Diego and Tijuana to support children who lost a parent/parents.
